

Title: PRINCIPAL WATER RESOURCE CONTROL ENGINEER

Salary: \$8,626 - \$9,512

Posted:

DUTIES: Under the direction of the Regional Board Executive Officer, the Principal Water Resource Control Engineer will perform the duties of the Board Assistant Executive Officer. The duties include assisting the Executive Officer in developing policy; planning, directing, and coordinating the work of the Board staff in the oversight of two functional branches of the office. In addition, the Assistant Executive Officer may act in the absence of the Board Executive Officer.

Also, the incumbent will serve as the Board's Ombudsman, evaluate personnel for program implementation, manage the Board's budget, oversee recruitment of new staff, oversee personnel administration, evaluate and secure needed staff resources, and coordinate regional programs with the programs and activities of the State Water Resources Control Board, the Calif. Environmental Protection Agency, the US Environmental Protection Agency.

NECESSARY QUALIFICATIONS: Candidates must be eligible for appointment to the classification of Principal Water Resource Control Engineer. Candidates must have effective verbal and written communication skills and an ability to work successfully with the Regional Board, governmental agencies, and groups representing diverse viewpoints in achieving consensus.

DESIRABLE QUALIFICATIONS: Knowledge of water quality laws and Water Board plans, policies, and regulations; experience working effectively with the public, representatives of the regulated community, and multi-disciplinary professional staff (engineers, geologists and scientists); the ability to work independently and under pressure; excellent organizational skills, including the ability to coordinate multiple tasks and set priorities and deadlines; good interpersonal skills.

WHO MAY APPLY: Applications will be accepted from individuals with current list, transfer or reinstatement eligibility for Principal Water Resource Control Engineer. Current reemployment, SROA and surplus status provisions will be followed. A preliminary review of applications will be made and those most qualified will be scheduled for an oral interview. Send standard State application (Form 678) and resume (including references) ATTN: Equilla Harris.
